

Harshit Jain

harshitj.ipe.15@nitj.ac.in (+91 8349107971, +91 9870223091)

ACADEMIC DETAILS

July 2015 - Present	B.Tech Industrial and Production Engineering (Currently in 6th Semester)	NIT Jalandhar	8.09
2014	Higher Secondary School Certificate Examination	International Public School, Hoshangabad	84%
2012	Secondary School Certificate Examination	Kendriya Vidhyalaya, Itarsi	9.8

TECHNICAL SKILLS

- **Languages** (C, C++, Python), **Database** (MySQL, SQLite3), **Script** (R (Basics)), **Tools** (MS-word, MS-powerpoint), **Software** (LaTeX (Basics))

PROFESIONAL EXPERIENCE / PROJECTS

- **RCPL India**
Summer Training (June 2017-July 2017)
 - Learned basic and advanced concepts in Python, Got acquainted with various ML modules in Python
 - Designed a Real Time **Bugtracking Portal** using Python and incorporated **SQL** as real time database server as final project
- **Research Trend Analysis**
Guide:-Assistant Professor 'Dr.Neeraj Bhanot' at NIT Jalandhar (Aug' 2017 - Nov' 2017)
 - The project determines in-depth research trends in published literature using **Text Mining** approach in python through unsupervised learning
- **Titanic: Machine Learning From Disaster**
Kaggle Competition (Dec' 2017)
 - Performed **feature engineering** on the train and test data through Python and predicted the survival with an accuracy of **0.78947** on the leaderboard

RELEVANT COURSES

- **Industrial and Production:** Production planning and control, Operations Research, Quality management, Entrepreneurship develeopement and management, Probability and Statistics for Engineers
- **Online Courses:** Analytics edge, Introduction to R, Intermediate R, Importing and cleaning data in R, Supervised Learning with **scikit-learn**, Quantitative Finance and Algorithmic Trading in Python(Udemy)*
**To be completed by Jan' 2018*

POSITIONS OF RESPONSIBILITY

- **Analytics Cell** (*Cordinator*)
 - Delivered a workshop on "Introduction to opportunities that exists in analytics domain"
 - Started an online learning platform in collaboration with Datacamp.com

EXTRA CURRICULAR

- Participated in 'Australian National Chemistry Quiz' and got destinction prize
- Participated in 'Skill Development Programme' organised by 'Republic Motors, Punjab'
- Participated in "Human Chain Formation" which was intended to make people aware about voting
- Regional level kabaddi Player
